Emergency Camp Number

Our camp office is open from 9.00am to 9.00pm EST. every day. Office staff will answer the phone during those hours and all messages will be delivered to the campers at the following meal. Messages left on the answering machine after hours will be delivered at breakfast the following day. Of course in an emergency your message will be dealt with immediately.

Our **Emergency Number** will ring in Dan & Anne Gould and Nigel Watson's houses after hours. Appropriate use of this number is appreciated. Homesickness is not an emergency.
