**Bunk changes can be made at 5.00pm on the day of arrival at camp.** All directors are busy on opening day and are unavailable until 5.00pm to do bunk changes.

Handling the 100's of bunk requests each session can be difficult and sometimes mistakes are made. Please understand that we will make every effort to accommodate your request. However we'd like your cooperation and understanding, if when you get to camp you aren't exactly where you want to be or with who you asked to be with. We have flexibility and will do our best to move you to where you will be happy.

**Parents.** Are there any special bunk requirements such as top bunk, bottom bunk, near bathroom, near outside door, scared of the dark and like to sleep with light on etc? If so please list here.
