13th Annual Circus Elite Camp

August 22nd - August 29th 2010

For well over a decade circus professionals, circus schools, and camp referral agents have recognized our circus program as one of the top summer camp programs in the country. This fact has created a dilemma, as many children who come to camp to participate in the circus program feel that they want more circus every day. Last summer we had over 500 children perform in our circus. In recognition of these children we will once again run our one-week CIRCUS ELITE camp. Every year our CIRCUS ELITE camp has been an incredible success. CIRCUS ELITE will entail a full day of circus, with the children being involved in many acts and working towards a high level performance on the last evening to an audience of well over 300 people. (Performance evening Saturday August 28th). We are limiting enrollment to 24 children and will accept registrations on a first come first served basis. The price for the CIRCUS ELITE is \$850. If you would like to register for CIRCUS ELITE register online or fill out the form below and send it to our summer office, or call for more information. 1-800-399-CAMP.

Name of Camper(s) _____

Sessions attending regular summer camp (please check) 1__2__3__4__

Grade in September 2010 _____
