Hotel List

Dear Parents and Friends,

We have compiled a list of nearby Hotels, Motels, B&Bs and Inns that may be useful to you while visiting camp. We have an open visiting policy where you are welcome to visit on any day except the Friday before Performance Day. However, we do suggest visiting the last Saturday of every session, as these are our Performance Days. While planning for visiting day **please note that we do not allow pets in camp and smoking is restricted to the parking lot only**. In addition please consider the physical condition of who you are bringing and the geography of camp which is spread out and hilly. We do not have valet service or golf carts available for transporting individuals.
